

## **COSF Team Discussion Quality Review**

1. Do all team members participate in the discussion?
2. Is parent input considered in the rating? Give examples.
3. Is the team documenting the rating discussion? Give examples.
4. Does the team discuss multiple assessment sources? What are they?
5. Does the team describe the child's functioning, rather than just test scores? Give examples.
6. The discussion include the child's full range of functioning, including skills and behaviors that are age appropriate, immediate foundational, and leading to immediate foundational? Give examples.
