

Practice Based Coaching

2016-2017 Training and Webinar Schedule

Practice Based Coaching (PBC) is a framework for internal coaches to use in supporting practitioners to implement the practices of an innovation. Internal Coaches from sites currently installing Family Guided Routines Based Intervention (FGRBI), Pyramid Model, Classroom Engagement Model or RP2 can attend. Behavior Coaches from sites using the Pyramid Model may also attend.

The PBC training is offered 4 times throughout the state. The content is the same for each training, so coaches only need to attend one training date. Follow up webinars are available to support coaches in using the PBC cycle.

To REGISTER please visit: <http://www.ecsu.k12.mn.us/registration/Events>

Registration questions? Please contact Sarah Ryan-Wood at sarah.ryan-wood@metroecsu.org
