

Vision and Direction in Leadership Checklist

This checklist includes examples of steps leaders can take to help to create a well-functioning and forward-thinking organization and to help practitioners feel a sense of belonging as they understand their purpose within the organization. The checklist can be used as a self-evaluation by leaders at both state and local levels to ensure that

they are articulating and using the vision and mission of the organization not only to create a supportive work environment, but also to help determine the future activities of the organization and to provide direction to the larger early care and education community for improving services for ALL children and families.
