

## Table Top Discussions and Breakfast

Breakfast 7:30-9:00  
Discussions 7:45-8:45

Please join us each morning in the plenary room for informal discussions with colleagues over breakfast. These roundtable discussions are meant to facilitate sharing information and getting feedback from experts and peers on a variety of topics. Facilitators will be available at each table. Participants may also create and facilitate their own discussion group.

### Saturday 7:45-8:45 am

---

**Local reporting:** What are the issues/ challenges you are encountering in local reporting? What strategies are you using now? What resources are needed? *Facilitators: Sharon Walsh & Nancy Skorheim*

**Ask an Expert- Mary Beth Bruder:** Join Mary Beth for a discussion of early intervention and early childhood special education personnel topics. Drop by and ask Mary Beth your questions!

**Missing Data:** Bring your issues about missing data to the table, including checking for and tracking missing data, strategies for reducing missing data, and more. *Facilitators: Lesly Wilson & Cornelia Taylor*

**Linking Child and Family Data:** Are you linking child and family data? What are key questions are you are interested in answering? Do you have “how-to” questions or tips on linking databases or using unique IDs? *Facilitators: Lisa Backer & Siobhan Colgan*

**Teaming in the COS Process:** When do conversations with families happen in your programs? How and when are ratings shared with families? What are your challenges with the team process? Bring your questions and issues and join the discussion. *Facilitators: Naomi Younggren & Kathi Gillaspay*

**Part C Regulations Discussion (OSEP Topic).** Do you have questions about the new Part C regulations? Come by for informal sharing and discussion with colleagues. *Facilitator: Rhonda Spence*

### Sunday 7:45-8:45 am

---

**Ask an Expert- Robin McWilliam:** What are your questions about strategies for working with families and children in early intervention and early childhood special education? Drop by and ask Robin!

**Small Ns:** Do you have challenges or tips for others on how to do local reporting with small programs or districts? Come to share and discuss strategies. *Facilitators: Ruth Littlefield & Lynne Kahn*

**Quality in the COS Process:** How should we evaluate quality in the summary form process? What are the most important indicators of a high quality process? What indicators are being used in the ENHANCE project? Join the discussion. *Facilitators: Cathy Smyth & Lauren Barton*

**Family Survey- Representativeness and Response Rates:** Stop by to discuss challenges related to family survey response rates, increasing representativeness in your state’s family survey, and other issues of measuring family outcomes. *Facilitators: Darla Gundler & Siobhan Colgan*

**Longitudinal Data:** Stop by to share and discuss your state's plans and challenges with developing an early childhood longitudinal data system. How will you use this type of data system? What guiding questions or critical policy questions would you like to answer? What resources and/or technical assistance will you need? *Facilitator: Meredith Miceli*

**IHEs and Outcomes:** How can institutes of higher education (IHEs) support outcomes work in their state? How can OSEP support partnerships between IHEs and states? *Facilitator: Christy Kavulic*
