

## Activity Sheet

### **Name of Activity: Authentic Assessment—Table Talk**

As a group, discuss your answers to the following questions.

1. What authentic assessment practices are you currently using?
2. What has supported you in learning about authentic assessment practices (pre-service training, in-service training, coaching)?
3. Which practices do you think you could benefit from further support or training to implement? Why are these more difficult than others to implement?
4. How do you involve all team members, including families, in gathering authentic information during assessment?
5. How might you begin to integrate or expand the use of authentic assessment in the COS process?
