

Tracking Infrastructure Improvements and Outcomes

Activity 1: Stakeholder Engagement

а	What will it	look like	when vo	บบ'งค ลด	hieved ·	stakeholde	r engagement ?

b. What do you want to know about the changes in stakeholder engagement?

c. How will you measure the change in stakeholder engagement?

d. What is the biggest challenge/barrier to evaluation (not implementation)?

Tracking Infrastructure Improvements and Outcomes

Act	tivity 2: Other infrastructure strategy:						
a.	What will it look like when you've achieved the infrastructure change?						
b.	What do you want to know about the changes in this area?						

c. How will you measure the change in this area?

d. What is the biggest challenge/barrier to evaluation (not implementation)?
