The Office of Special Education Programs (OSEP) within the U.S. Department of Education has designated the Early Childhood Technical Assistance Center (ECTA) as the national hub for information and resources specific to the Individuals with Disabilities Education Act (IDEA) early childhood programs during the COVID-19 pandemic. This infographic will help families navigate the ECTA website to find COVID-19 resources and information to support their children's learning and development. Click on the underlined text to access highlighted resources.

What is remote service delivery and distance learning?

What does remote service delivery look like and how do I prepare for it?

How can I support my child with distance learning?

What resources are available to help me support my child during COVID-19?

What is the national guidance on key aspects of IDEA?
