

Creating a Vision Statement

<https://ectacenter.org/topics/iep/iep-activity-creating-a-vision.asp>

A vision statement:

- describes a hope for the future;
- identifies a problem you want to solve;
- defines big picture changes you want to make; *and*
- unites people in beliefs and values.

We exist to:

What is the purpose of the work together?

For whom:

Who benefits from this work?

In order to:

What do we want to accomplish?

Believing that:

What are our values, beliefs, and guiding principles?

So that:

What are the outcomes that define success?
